

ZERO WASTE COMMITMENT

2019 SEES 4TH YEAR FOR COUNTY OF SUMMIT
STATE OF THE COUNTY ADDRESS

2,604 pounds
of food scraps composted

209.5 pounds
of plastic bottles, metal cans,
cartons and paper recycled

439.5 pounds
of cardboard recycled

These weights of diverted materials are the combined results from the County of Summit's State of the County Addresses from 2015, 2017, 2018, and 2019.

By diverting these materials from the landfill, it prevented the CO2 emissions equivalent of charging **249,924** smartphones

Greenhouse emission data calculated using the EPA's Waste Reduction Model (WARM) version 15.

ReWorks facilitates the coordination of Zero Waste Events. Making an event Zero Waste takes advanced planning and the commitment from all levels of those involved with the event.

In preparation for the State of the County Address, ReWorks reviews recycling and food scrap collection procedures with John S. Knight team members.
