

What was accomplished?

July 27, 2021 & October 19, 2021

101 TVs – CRT (32" and under) were collected

61 TVs – flat screen (50" and under) were collected

28 laptops were collected

6 tablets were collected

50 cell phones were collected

124 households participated

10,283
Pounds Collected

On average, each participating household brought in about 83 pounds of electronics.

ReWorks held two separate electronics collections events directly on site at our Household Hazardous Waste Recycling Center (HHWRC). These two events included pre-registration for participants and were open to all Summit County residents. Offering pre-registration helps decrease wait times and provides a safe and efficiently run event.

For future electronics recycling solutions and opportunities, check with ReWorks, the solid waste management authority for Summit County.
